Dear Friends,

On behalf of Twin Cedars Youth & Family Services, Inc., I would like to thank you for your generous contribution this Holiday Season. Your commitment to helping children and families in Columbus, LaGrange and Macon is sincerely appreciated.

Each year, through your contributions, we continue to advance our organizational mission, *"to provide programs and services empowering children, youth and families to achieve their optimum potential."* Through our programs we have seen many lives changed for the better. Every night there are approximately 150 children who find safety and refuge in one of our 10 residential homes across the state. Children who come into our care typically have very few belongings and have suffered extreme abuse. Your gifts allow us to provide the basic necessities such as clothing, nutritious meals, educational services and therapy to begin the healing process.

Twin Cedars Youth & Family Services is non-profit organization offering programs ranging from prevention to residential care for victims of abuse and neglect. We are a 501 (c) 3 organization as defined by the Internal Revenue Service Code. No goods or services were exchanged for this gift. Your contribution of \$4,000 is deductible as the law allows

With the help of donations from supporters such as you we will continue to see improvements among those less fortunate. Again, thank you.

*Thank you for your
generous support of
the Georgia Industrial
Children's Home! Have
a wonderful Holiday
Season.*

For the children,

Tiffany Wilson
Marketing & PR Coordinator

Just a note to tell you
how much we appreciate
your generous gift to our
children. Your continued
support means so much
to us and we hope that
we continue to show you
our appreciation. From
the Georgia Industrial
Children's Home family
to you...
Thank you!
