Dear Ms. Tarpley:

We recently received your gift of \$3,000.00 (ck #1051, dated 12/15/2009) to the Ocmulgee Heritage Trail. We greatly appreciate your generosity and your partnership in our efforts to extend this wonderful recreational resource.

As an investor in NewTown we value your input and welcome your involvement. You will receive regular updates on our progress and an invitation to our annual meeting. Also, please feel free to call me if you have any questions.

Look for construction on the trail and at Amerson Water Works Park to begin again mid-2010. We will start with improvements to the Riverside Drive streetscape as well as extending the trail through Riverside Cemetery.

Your investment in NewTown is part of a growing momentum towards a thriving urban center. We thank you for your support and look forward to sharing our progress with you.

With best regards,

Laura J. Schofield
Executive Vice President
