May 4 th	Dan Ash			Leslie S.
May 11 th	Mary Katz			Sam
May 18 th	Phil Brown			Mary
May 25 th	Elizabeth & Tom Jones			Neel
June 1 st	Sam Martinez			Chris

Amounts: For the first water stop, please plan to put out 2.5 gallons of Gatorade (that would convert to about 16 twenty ounce bottles or 10 thirty-two ounce bottles). Any unopened bottles can be used the next week, so please leave these at the stops when picking up trash. Also please put out 2 or 3 bottles of water. At the 9 mile stop, please plan to put out 1.5 gallons of Gatorade (10 twenty ounce or 6 thirty-two ounce bottles), plus water. I know this is a lot, but we don't want to run short. We've been having a good turnout most Sundays, often with 20 or more people. It's good to put in some trash bags, too.
